

“Dear Mr. Brandon Leigh,

My name is Landon Harlowe, and I am a senior manager at Accounting Solutions. I am writing to recommend Lawrence Saunders, who was part of my team during his internship and subsequent employment at Accounting Solutions, for the Take Initiative Scholarship program.

During his time at Accounting Solutions, Mr. Saunders was a quick learner and very proactive. His suggestions led to the implementation of several practices that, to this day, optimize our day-to-day processes and procedures. Moreover, his contributions helped the team tackle many challenges while maintaining the desired standard of work.

Mr. Saunders used his time at the company to expand his knowledge, and I am sure he will continue in the same direction should he receive this scholarship.

If you want to learn more about Lawrence Saunders and why he'd be an excellent fit for this program, feel free to reach out.

Best regards,

Landon Harlowe
