

To Mrs. Greta Flower,

I am Jamie Lee, the chemistry teacher of Dover City public school in Dover City. It is with great pleasure that I'm writing to recommend Miss Josephina Laine, one of our finest students, for the Rise Above Scholarship program at Dover University.

I have known Miss Laine for the past 7 years, ever since she enrolled in our school. Since her first day, she has consistently ranked in the top 1% of her class and sought ways to improve her academic performance.

Alongside her studies, Miss Laine has participated in numerous extracurricular events, with a pronounced interest in organizing charity and humanitarian events. In addition to her academic efforts, Miss Laine took part in several county-level sports competitions, where she represented the school with respect, pride, and dignity.

Given her spotless track record, I can confidently state that Josephina Laine will thrive at Dover University as a recipient of the Rise Above scholarship.

Should you have any other questions, I am available Monday to Thursday from 8 a.m. to 4 p.m.

For any other inquiries, please contact me via email or phone.

Thank you for your time.

Sincerely,

Jamie Lee

Chemistry teacher
