

“Dear Mr. John Walters,

I’m writing this letter to recommend Anna Jones for the Crown Lake scholarship.

I was her English teacher during the 11th grade and can vouch for her drive and commitment.

During her time in my classes, Anna showed an impressive thirst for knowledge, which — I have no doubt — will help her achieve academic excellence at a college level. As an educator, it is always an honor to teach such motivated students and aid them in discovering their full potential. I am proud to have been one of Anna’s teachers and believe that she would make an exemplary representative of Crown Lake University .

Anna’s receptiveness to feedback has allowed her to continuously surpass expectations, which is reflected in her grade point average.

Besides witnessing Anna’s academic achievements, I’m also impressed by her long-term educational goals and I believe this scholarship would greatly alleviate the financial strain she may face in their pursuit.

Thus, I wholeheartedly urge you to consider Miss Anna Jones for the scholarship, as I have met few students who would make more deserving candidates.

Feel free to reach out should you have any questions about Miss Jones or require additional information.

Best regards,

Tim Edwards
