

“Dear Mrs. Jemima Lawson,

I am writing to recommend to you my daughter, Emily Johnson, for the Lift & Inspire scholarship at Quinton University. I know this is somewhat extraordinary, to hear from a mother, but Emily is no ordinary applicant and I wanted to bring that to your attention. I know all parents think that their child is special, but believe me: I'm not wrong about this, and I know the other letters you receive about her will tell you the same.

Emily has continuously impressed by her commitment to learning and desire to improve her community. Thus, I can think of no one else who could better represent your university as a recipient of this scholarship.

As her mother, I've had the privilege of watching Emily grow into an individual who values education and strives to uplift others so that everyone can become the best version of themselves.

The values behind this scholarship program are the ones I recognize in Emily and I am sure she will prove herself to be a worthy scholarship recipient.

If you have any other questions or wish to gain more information, don't hesitate to contact me. You can reach me at [Phone Number] or [Email Address].

Kind regards,

Tia Johnson”
